TO BE HELD AT

GLENBURN FARMS

UNIONVILLE, ONT.

Tuesday, Oct. 5th, 1948

General Information

Time—Tuesday, October 5th, 1948, commencing at 1 p.m.

Location—Glenburn Farms, where the sale will be held under cover. A 40 minute drive from Toronto, just $1\frac{3}{4}$ miles north of No. 7 highway, near Unionville. By appointment, transportation will be furnished to and from the Royal York Hotel.

Train—The C.N.R. provides a daily service through Unionville, leaving Toronto about 9 a.m. and arriving in Unionville shortly before 10 a.m. The evening train leaves Unionville about 8 p.m. Check with your nearest agent regarding revised schedules.

Bus—Gray coaches from Toronto arrive in Unionville at 9.50 a.m. and leave Unionville on the return trip at 4 p.m. Telephone the farm for transportation from bus or railway stations.

Auctioneer—J. W. Durno, Calgary, Alberta.

Mail Bids—Those who cannot attend but wish to buy cattle listed in this catalogue may send buying orders to Hal. Longley of the Shorthorn World, Aurora, Ill.; H. R. White, Secretary, Canadian Shorthorn Association, Guelph, Ont.; G. E. Day, Secretary, Ontario Shorthorn Club, Guelph, Ont.; or to the auctioneer. Correspondence addressed to any of these men in our care will be delivered to them on the morning of the sale.

Luncheon—Lunch will be served on the grounds.

Pictures—In attempting to represent these sale cattle as they actually appear to the eye, we are using pictures of them that have not been retouched. It is our conviction that live stock photography is coming to rely so much on the art of expert retouching that it is impossible to place any faith in a picture of an animal as an indication of its quality. We prefer that you should find the animals better than the pictures rather than be disappointed in them after coming many miles on the strength of a retouched photograph.

Bull Premium Policy—The Ontario Government has instituted a Bull Premium Policy under which organized clubs consisting of not less than three members may obtain financial assistance on approved bulls purchased at auction sales supported by at least three consignors at which five or more bulls are offered. An application must be forwarded to the Live Stock Commissioner on prescribed forms and approval granted before a bull is purchased, otherwise financial assistance will be refused.

Klaymor Farm, owned by Mr. W. J. Russell, adjoins Glenburn. Here the sale of W. J. Russell, Stanley Douglas and K. C. Gray will be held on October 4th.

Terms and Conditions

The cattle offered in this sale are thoroughly healthy and are tested Federally for Tuberculosis and Bang's Disease. All papers necessary for shipment to the United States will be provided.

1. Proper care should be given by purchaser to protect breeding qualities and health of animals.

2. All bulls are guaranteed breeders. If bull when sold is 14 months of age or over and fails to breed, he must be reported within 6 months. If under 14 months of age when sold and fails to be a breeder, he must be reported by the time he attains the age of 20 months. A bull shall not be allowed to serve when under 14 months of age or be allowed to run with the herd when under 20 months of age.

3. Cows sold with calves by side are considered proven breeders. All other cows and heifers sold as a single lot are guaranteed breeders, except calves sold by side of dam as one lot and heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale, shall be promptly reported.

4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser, or the purchase price will be refunded at the seller's option, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. Salvage to go to the seller. No charge for feed or maintenance shall be made by either buyer or seller.

5. A certificate of registry in the Dominion Shorthorn Herd Book will be furnished with each animal. Any animal in this sale can be registered in the American Shorthorn Breeders' Herd Book.

As soon as cattle are sold, they are at owner's risk, but every care and attention will be given them and they will be loaded free of cost.

Shipment will be made as soon as possible after close of sale and without trouble to the purchasers, but at their risk of loss or injury.

6. The Foreign Exchange Control Board insists that in the case of cattle purchased for export to the United States of America, payment must be made in U.S. funds at the rate of exchange officially recognized by the Foreign Exchange Control Board at the time of payment.

7. TERMS. Cash, unless other arrangements are made before the sale.

BEATH FARMS SHORTHORNS

Group of Sale Heifers

Beath Farms Consignment

A group of outstanding females mated to a succession of good breeding bulls has been the secret of the continued success of the Beath herd—Walshford Paymaster (imp.), Dryn'e Roland (imp.) and his son Roland Clipper, Klaymor Beau Ideal, and now Beathton Seal and Marellbar Obligation have built lasting reputations here. The entire offering is descended from these great bulls. Junior sires now in service are Beathton Model by Marellbar Obligation and Kelburn Command by the noted Mount Banker (imp.).

FOR REFERENCE ONLY

At \$5100 — Marellbar Obligation topped the 1944 sale of the first crop of Klaymor Footprint calves. At the 1946 Illinois State Fair, with only three sons of Klaymor Footprint entered, Marellbar Farms topped three single classes, won the Reserve Championship and first in both the two and three bull groups. Marellbar Mandate, another son of Footprint sired the grand champion female and the winning get at the 1947 International.

GLENBURN SHORTHORNS

*"Easier to Buy
Than to Beat"*

The reception accorded other Glenburn offerings has encouraged us to make this the best ever, and we are confident that this is unquestionably our greatest to date. Many visitors have expressed amazement that we are parting with many of the cattle listed here. We admit that we need them to strengthen our breeding herd, but in order to complete the sale offering they must be included. Our loss can be your gain.

Eight of the cattle being sold come directly from the Glenburn show herd, including three champions and five first prize winners. In fact, 17 cattle entered in the sale have figured largely in the 1948 winnings of the three herds.

We regret to announce that due to an injury, Robinwood Colonel may breed no more, and few if any of his get will be available in our future sales.

One of the brightest spots in the Glenburn picture at present, is the recent addition as junior herd sire, of Phopachy Diplomt, imported last spring. Backed by the blood of many of the greatest bulls of modern times, and the skill and wisdom of the MacGillivray family, he has the individual characteristics which should enable him to do a great deal for the breed. Many complimentary remarks have been made by breeders who have seen him, and it is our sincere wish that these choice daughters of Robinwood Colonel and Klaymor Forester, bred to Phopachy Diplomat will find homes with good breeders, regardless of the price they bring.

We think we can give you more for your money than ever before, and invite you to join us for the period of the "October Sales" at Unionville.

**"For Consistent All-round Performance
Gravitate to Glenburn"**

FOR REFERENCE ONLY

Robinwood Colonel, senior sire at Glenburn, now too badly crippled for service, has been worthy of his famous Perth Champion grandsire both in appearance and breeding ability as evidenced by the record of his calves in the Glenburn show herd during 1947-48.

FOR REFERENCE ONLY

Phopachy Diplomat, the product of eight generations of MacGillivray breeding, was purchased for us by Mr. K. P. MacGillivray in the 1948 Perth sale where he placed 5th in the class which produced the 6000 guinea reserve champion. We feel that Mr. MacGillivray sent us a bull with all the characteristics for which we had asked, great head, extremely short legs, and the ability to lay on flesh with a minimum of feed. We think he will suit our herd to perfection. His sire was purchased for 4700 guineas at Perth and is already among the top sires of Scotland. His dam carries the same top crosses as Kirkton Baronet, sire of Calrossie's winning get at Perth 1948. His dam, granddam and great granddam are valued members of the Kirkton and Phopachy herds where this has been the leading family for years. We feel that we were extremely fortunate in securing this bull, and invite you to study the bull and his pedigree.

FOR REFERENCE ONLY

Klaymor Forester, selected especially for use on daughters of Glenburn Royal Ransom and Glenburn Royal Flush, is one of the highest priced and best bred sons of the famous Collynie Royal Barrage (imp.) Lucky, the champion Shorthorn steer at the 1946 Royal Winter Fair, was a son of Klaymor Forester. At the Central Canada Exhibition he sired the senior and grand, and junior and reserve grand champion females and the winning get of sire.

BEATH - DEACON - MURPHY SHORTHORN SALE, OCTOBER 5, 1948

Glenburn Neptune is our top summer yearling bull of the year, picked by some as the best bull in our show herd. His full brother, Glenburn Majestic, a red roan, stood 2nd in the senior bull calf class at both the C.N.E. & Royal last year, later selling in the International Congress sale to E. K. Nicolson, Ellensburg, Wash. for \$1000. A maternal sister, Glenburn Missie 10th, was undefeated junior yearling in 1943, and was purchased in our sale of that year by Merryvale Farms for \$1700.

Glenburn Goldie Pearl has been a favourite with many visitors from birth because of her trueness of lines, great depth, smoothness and character. Look up her dam, because we think you'll like her too. This heifer is bred to Phopachy Diplomat. Fully accredited, vaccinated and inoculated.

Glenburn Butterfly K 3rd — 1st senior heifer calf at the Central Canada Exhibition this year, she is very stylish and true in her lines. Her dam was the best female we produced in 1945. This has been one of our very best families at Glenburn for 20 years and has been a great factor in the success of the Glenburn show herds of that period. Fully accredited, vaccinated and inoculated.

Glenburn Legend was retained as "herd bull insurance" not only because of his individual merit but because we knew and liked so much about his ancestors. He was senior and reserve grand champion at the Central Canada Exhibition last year despite heavy service in our herd. His sire, Glenburn Jason and his dam Glenburn Marigold 5th, were our junior and reserve grand champions of 1944. Glenburn Marigold 2nd was also the dam of the grand champion steer at the 1940 C.N.E.; of Glenburn Marigold 3rd, 1942 junior and grand champion female, sold in our sale to Beath Farms for \$1225.; and of Glenburn Marigold 3rd, 1943 1st prize summer yearling, purchased by P. F. Law for \$1325, where she is breeding a show winner every year. Unfortunately, Legend died just as his first calves were beginning to arrive at Glenburn.

One of our best show heifers from the same dam as the 1941 champion Glenburn First Aid. Bred to Phopachy Diplomat.

Possibly the most perfect individual ever produced at Glenburn, Glenburn Myrtle 20th was grand champion the Central Canada Exhibition, and if the purchaser is willing we would like to retain her until after the Royal and International shows. We agree with those who tell us that we should not be selling this heifer, but we did not have enough heifers last year to complete our sale offering, so here she is. The four top dams have all been great cows in this herd, Glenburn Myrtle 6th being one of the greatest show and breeding females known in Canada. Phingask Myrtle 2nd was possibly the most famous cow in the history of Edellyn shorthorns. This heifer will be bred to Phopachy Diplomat (imp.).

Fully accredited, vaccinated and inoculated.

OAKFIELD FARMS

ORILLIA - - - ONTARIO

For the ninth consecutive year it is our pleasure to be associated with Glenburn Farms and Beath Farms in presenting our annual auction.

Every animal in our offering has been vaccinated under the Ontario Veterinary College plan of Calfhood vaccination, is Federally Accredited and has recently been inoculated.

We have derived great satisfaction and pleasure in breeding these cattle and trust they will be a deciding factor in maintaining and increasing the popularity of the Shorthorn breed in North America.

The sole aim in the breeding programme at Oakfield Farms has been to improve and produce for sale, the best possible type of Shorthorn. In order to carry out this programme, one of the essential factors has been the selection of herd sires of the highest type, quality and breeding.

There is great satisfaction in presenting the twelve lots sired by O.A.C. Ransom 21st = 239523 = in this catalogue.

To those who are interested in securing the popular Ransom blood lines we sincerely recommend our 1948 offering by this great sire. The pedigrees represent the best bloodlines. The cattle are of modern type, low set, thick, thrifty and stylish, just the kind any breeder can depend upon to do the job. The cattle we are offering give assurance of their ability to reproduce these desirable characteristics.

We are also presenting a bull and a heifer sired by Cromleybank Benefactor = 278126 = our grand imported-in-dam junior herd sire bred at Cromleybank and sired by the great Calrossie Benefactor. We feel that these are such as will speak for themselves.

Also included in the offering is one summer yearling heifer sired by Saltoun Ark Royal, the great breeding bull bred at Saltoun by Captain Fletcher and sired by Cluny Ark Royal by Calrossie Souvenir.

The photographs of the cattle illustrated in this catalogue have not been re-touched, thereby giving a true picture of the cattle as they actually are.

We extend a very cordial invitation to all Shorthorn enthusiasts to be with us at the October 4th and 5th sales.
